

TECH CAMP

The November meeting was very informative and well attended. Many received the information they were looking for to launch the use of ebooks at their schools. We will not meet in December since it is such a busy time. Save the date for the next TECH CAMP which will be @ 4:00 p.m. on January 22 at Atlantic Technical Center. The link to the map is <http://mapq.st/1btB8CL> Margie Rohrbach will be hosting and presenting a variety of useful web tools. You don't want to miss it! Here is a link to sign up <http://bit.ly/1aSjSHk>

Also, if possible, bring a snack to share.

Have a wonderful and restful holiday!
